

Westfield Veterinary Group is always growing and looking for veterinarians to join our team! We have everything you need to truly excel as a veterinarian whether you want to pursue a career in Emergency or General Practice. We offer a progressive environment, a warm culture, innovative medicine, solid mentorship and an amazing support staff. We also offer generous compensation, a competitive benefits package, mentorship and a great place to work!

### **Who we are:**

- We are a privately owned, AAHA accredited, well established practice in the towns of Westfield and Union, NJ. Centrally located within NJ we are a short train ride to NYC and close to everything NJ has to offer.
- We are truly a full service hospital offering complete wellness care as well as 24/7 Emergency Services.
- We are proud of our team! With 16 doctors and over 50 highly trained veterinary nurses, assistants and excellent CSRs, we happily support and encourage each other just like a family. We embrace an open learning environment where collaboration is encouraged to maximize patient care. Our team is like no other; every team member of WVG loves what they do and the team they do it with!
- We have everything you need to follow your cases to completion, including a full in-house Idexx laboratory equipment suite, digital radiography, Synder oxygen cages, wireless telemetry, ultrasound, anesthetic ventilators, fully loaded surgical and dental suites, therapeutic laser and rehabilitation services.
- We are constantly growing! The demand for our services has led us to expand into a second location which we opened in September 2018. Our second facility is over 13,000 sqft and is fully equipped with all of the newest and innovative technologies including endoscopy and an underwater treadmill!

### **What Westfield Veterinary Group looks for in a team member:**

- Someone with a desire to learn, willingness to take on challenges and a steadfast team player.
- Someone who can work well under pressure while keeping a positive and confident attitude.
- Someone internship trained or with previous experience; surgical skill is preferred. However, we have many experienced veterinarians that would be happy to offer their mentorship to non-internship trained veterinarians with the right attitude!

- Someone with excellent communication skills and who values a collaborative environment with their colleagues.
- Someone with a passion for learning and a desire to take advantage of all we have to offer to improve the lives of our patients.

### **What Westfield Veterinary Group offers to our team:**

- Mentorship and support are a top priority! We offer you what you need to grow professionally with a family atmosphere. Whether you are just beginning your career or you are a seasoned doctor, our environment provides you the ability to succeed and love your work.
- Generous compensation for internship trained and experienced clinicians plus...
- We recognize the importance of a strong work/life balance to keep you happy and at your best.
- We happily offer an extensive and customizable list of benefits for full time doctors and plenty of professional perks for you and your pets!

**If you are interested in joining our team, we would love to meet you!**
